

**GerrityStone** is pleased to be participating in **Residential Design and Construction 2009** at Boston's Seaport World Trade Center Wednesday, April 1<sup>st</sup> and Thursday, April 2<sup>nd</sup>. Residential Design and Construction 2009 is not a home show, but rather an exciting event, offering the latest in home trends and featuring only the top design and build professionals in the region.

Each day GerrityStone is hosting workshops on the main conference floor demonstration stage (located near the back of the World Trade Center).

From Quarry to Kitchen: Managing custom fabrication and installation of stone surfaces in a custom project.  
**Wednesday, April 1<sup>st</sup>: at 1:45 pm and Thursday, April 2<sup>nd</sup> at 3:15 pm.**

From Quarry to Kitchen: Understanding materials and selecting a partner for your custom stone installation.  
**Wednesday, April 1<sup>st</sup>: at 7:00pm and Thursday, April 2<sup>nd</sup>: at 5:30pm.**

In addition to the on-floor demonstrations, Dawn Carroll, GerrityStone's Director of Marketing, is speaking on two different panels during the trade educational seminars.

**Wednesday, April 1<sup>st</sup>: 6:00 to 7:30pm - Transformational homes**  
**Thursday, April 2<sup>nd</sup>: 6:00 to 7:30pm - Counter Intelligence**
